SUMMARY

Motivated high school student with a strong interest in Cybersecurity. Currently developing foundational skills through independent learning, online coursework, and hands-on problem solving. Eager to gain real-world experience while strengthening technical, communication, and teamwork abilities.

EXPERIENCE

Cyber Operations Student Researcher

July 2026 - Aug 2026

MIT Beaver Works Summer Institute — Remote

- Selected for the highly competitive MIT BWSI Cyber Operations program, an intensive 4-week, application-based experience focused on cybersecurity.
- Completed intensive coursework in computer architecture, networking, Linux, programming, cryptography, reverse engineering, side-channel analysis, and machine learning.
- Participated in hands-on labs involving system security, network analysis, and command-line tools.
- Applied analytical thinking and teamwork to solve technical challenges in a collaborative learning environment, ultimately resulting in a final capstone project.

Team Co-Captain & Competitor

Jun 2026 - Jun 2026

boroCTF 2026 — Remote

- Competed in a 810+ team & 1620+ participant live multi-day international cybersecurity CTF competition under a team named "idktheflagbro" with 2 other teammates
- Placed 40th out of 813 teams globally, ranking top 4% overall/internationally
- Placed 20th out of 174 hs teams globally, ranking top 11% in the competitive high school division
- Solved cybersecurity challenges across OSINT, digital forensics, web exploitation, cryptography, pwn, binary exploitation, networking, reverse engineering, GEOSINT, and misc. utilizing tools such as Kali Linux tools on VirtualBox VM, open-source security frameworks, and AI-assisted analysis for research and debugging support.

Director of Volunteers & Community Volunteer

Sep 2024 - Present

Friends of the Carrollton Library — On-site

- Assisted for 60+ hours and led a group of volunteers in community service activities at the Carrollton Public Library at Hebron & Josey and the Carrollton Public Library at Josey Ranch Lake.
- Supported weekly library operations by organizing and sorting books into boxes, maintaining shelves/storage, delegating tasks, and collaborating with volunteers to ensure efficient workflow.

EDUCATION

Hebron High School — Carrollton, TX

Aug 2023 - Present

Senior (12th Grade) — Class of 2027

- GPA: 3.96 / 4.0 — Class Rank: 48 / 865 (top 5.5%)
- Relevant Coursework: AP Computer Science A, Computer Science 1, AP Language and Composition

AWARDS / HONORS

Placed Top 4% Overall Internationally & Top 11% HS Division

June 2026

boroCTF 2026

National Recognition Program — School Recognition Award (2026)

June 2026

College Board

AP Scholar with Distinction Award

June 2026

College Board

SKILLS

Languages

English (Native), Vietnamese (Native)

Other Skills

Python, Java, Problem-solving, Critical Thinking, Team Collaboration
